

Esslingen, September 30th, 2019

Invitation to Regional Meetings Autumn 2019 in Major German Cities

Dear alumni, dear students, and potential students of Heriot-Watt University,
dear members of Edinburgh Business Club Germany,

the Board of Club requests the honour of your presence at one of the venues stated below. After the merger of Edinburgh Business School (“EBS”) with Heriot-Watt University (“HWU”), we are pleased to also welcome all (potential) students and alumni of all HWU faculties living in Germany.

Edinburgh Business Club (“EBCG”) has been founded six years ago for the benefit of EBS students and alumni in Germany as a place to get together and exchange student expertise, to meet with interesting business managers and personalities from other areas like sciences, education, culture, and politics, and to enter into mentor-mentee relationships. Many of our members have made new friends and have enlarged their personal, study and business networks.

Please select a venue convenient for you and respond to the contact person:
